

**Presentation on Inclusionary Housing Policy with
Asian Americans for Community Involvement (AACI)**

Over the past several months, the Housing Department has held a series of meetings with developers, affordable housing advocates, and members of the public to discuss the expansion of the City's inclusionary housing program. At these meetings, the Department presented alternative options for community feedback. The Department has incorporated feedback and comments and will present the staff recommendations on the proposed components of a Citywide inclusionary housing ordinance on November 20th at a meeting organized by the Asian Americans for Community Involvement (AACI). Information on this event can be found at www.firstthursdays.org.
